PROBABLY DROWNED

Arch Campbell of Aberdeen Disappear-
ed Friday Night—Last Seen Cross-
ing River in Coal-Laden,
Leaky Skiff.

The mysterious disappearance of
Arch Campbell, an Aberdeen citizen,
since last Friday evening has probably
been solved by the finding of his skiff
at Ripley.

Mr. Campbell was last noticed at
the upper grade in East Maysville
with a skiff load of coal and was seen
by Mr. James Poor, also of Aberdeen.
The skiff was a leaky one and being
heavily loaded and Campbell having
on an overcoat and gum boots, the skiff
probably sank, or turned over, drown-
ing Campbell, as nothing has since been
heard from him.

He was employed in Short & Kain's
blacksmith shop in this city and
resided with his mother, Mrs. Anna
Campbell, in Aberdeen.

MISS MARCELLA REDMOND

One of Maysville's Esteemed Residents
Away Saturday at Home of Her
Sister in Massillon, Ohio.

Miss Marcella Redmond of this city,
who went to Massillon, O., four weeks
ago in hopes of having her health im-
proved by change of climate, died in
that city Saturday morning at 8 o'clock
at the home of her sister, Mrs. Higgins.
She was single, aged about 40 years,
and her death resulted from tubercu-
losis.

Miss Marcella was born in Maysville
and was a daughter of the late James
Redmond, a former County Jailor. Sur-
viving her are two brothers, Mr. M. P.
Redmond, and Mr. James S. Redmond,
of this city, and two sisters, Miss Anna
Redmond also of this city, and Mrs.
James Higgins of Massillon, Ohio.

The remains were brought here yes-
terday afternoon on the 1:36 C. & O.
train and taken direct to her late home,
224 West Third street.

Decensed was known and esteemed by
nearly every one in this city. She was
quiet amiable and industrious and pass-
ed away sustained by the faith of a de-
vout member of the Catholic Church.

Patrick's Church conducted by Father
Jones and Father O'Dwyre.

CLOVER CLUB!

HERE'S NEWS FOR YOU!

It is a well-known fact that in sowing one
bushel of clover seed to six acres that an average
of 66 clover seeds are sown to every square foot of
ground. In broadcasting the wind and rain carry
the seed in patches. Some portions have so much
seed on that it cannot grow; other parts have no
seed at all. Drill your seed with the

Buckeye Special Alfalfa and Grass Seed Drill

Get all the seed in the ground and save half
the seed. In selling you this machine we are of-
fering the farmers of Mason county the best prop-
osition ever made in the way of machinery. With
half the seed we guarantee you a better stand.
They have been carefully tested for three seasons

GUTTED BY FIRE

Old Frame House Occupied By Four
Negro Families Purified By Fire
and Water.

A frame dwelling at 303 Poplar St.,
Fifth Ward, caught fire just before
noon Saturday and caused the "Kinney
Mac" and crew a quick run. On the
Fire Department's arrival the inside
of the dwelling was blazing fiercely,
and not a soul at home.

The fire was extinguished with but
little effort after about \$100 damage
was done to house and contents. The
building belongs to the Sallie S. Wood
estate and was insured.

Aaron Stokes, and wife, and three
other families, all colored occupied the
house, but not a single one of them
was at home. How the blaze started is
a mystery.
